Nestled in the heart of a serene park with century-old trees along a mountain stream sits our 19th century stone house, private chalets and countryside hotel.

A photograph of a bedroom interior. In the foreground, a bed is made with white linens and two pillows. To the left, a bedside lamp with a white shade is lit. On the wall above the bed, a framed picture hangs. To the right, a window with a wooden sill holds a vase of blue and white flowers. A wicker chair is visible near the window. The room is lit with warm, ambient light.

Bar

In what originally housed the sawmill in the early 1800's you can find a newly refurbished comfortable and intimate bar providing an ideal setting for relaxation and celebration.

Positioned away from the rooms so the end of the party can certainly be up for discussion.

Our relationship with our surroundings is at the heart of what we do.

We want to share the Ardèche with you and have partnered with some exceptionally skilled, artisans and businesses to bring unique and memorable experiences whilst onsite at La Gentilhommière.
